EDUCATION

Bachelor of Science in Biomedical Sciences, University of Central Florida (Expected December 2026)

GPA: 3.65/4.0

Relevant Courses:

- Honors Human Anatomy and Lab
- Human Physiology and Lab
- Immunology and Lab
- Laboratory Virtual Simulations in Physiology

Associate in Arts in Honors, Valencia College (July 2024)

HONORS AND AWARDS

- **President's List, Valencia College** (May. 2023 – July 2024)
- **Seneff Honors College Scholarship, Valencia College** (Aug. 2023 – July 2024)

RESEARCH

University of Central Florida:

- **Project: Gait Event Detection and Torque Adjustment for Multi-Terrain Locomotion** (January 2026 – Present)
Mentors: Dr. Sy Nguyen & Dr. Hwan Choi
- Contribute to biomechanics research focused on gait analysis and adaptive locomotion across multiple terrains.
- Assist in the development and calibration of sensor-based systems for motion detection and torque adjustment.
- Support data collection and analysis to evaluate gait events and movement efficiency.
- Participate in experimental setup, testing procedures, and validation of system performance.

Valencia College Undergraduate Research Activities:

- Research Proposal Development (Fall 2023)
- Honors Research Process Course (IDH 2911)
- Developed the proposal titled "Effect of PPARA Gene SNPs on Athletic Performance" in preparation for the Honors Research Project course (IDH 2912).
- Honors Research Project (IDH 2912).

Valencia College Honors Projects:

- PPARA Gene and Athletic Performance: A Study of Genetic Relationships through Sequence Analysis.
- Presentations: **Valencia Undergraduate Research Showcase, Valencia College (April 2024)**
- Seneff Honors College Undergraduate Research Project IDH 2912.

WORK EXPERIENCE

Deep Water Lifeguard

Volcano Bay – Universal Orlando Resorts (Orlando, FL. January 2025 – Present)

- Perform emergency rescues and provide First Aid, CPR, and AED care in high-risk aquatic environments.
- Maintain continuous surveillance of deep-water attractions to ensure guest safety and rapidly respond to emergencies.
- Apply aquatic rescue, spinal management, and emergency action protocols during training and emergency situations.
- Prevent potential incidents through proactive hazard recognition and continuous monitoring.

Guest Services & Attractions Associate

Walt Disney World Resorts (Lake Buena Vista, FL, July 2024- February 2025)

- Deliver exceptional guest service in a fast-paced, high-volume environment while maintaining operational excellence.
- Adapt to multiple operational roles and respond effectively to changing guests' needs.
- Resolve guest concerns through effective communication, empathy, and critical thinking.
- Promote a positive guest experience by maintain Disney's standard of professionalism and service.

Medical Assistant

Orthopedic and Podiatric Center Caracas (Caracas, Venezuela 2018-2020)

- Assist orthopedic surgeons and podiatrists in delivering patient care and supporting clinical procedures.
- Collaborate with healthcare professionals to ensure efficient patient flow and high-quality care.
- Coordinate patient scheduling, documentation, and administrative operations within the clinic.
- Maintain accurate patient records while supporting daily clinical operations.

CERTIFICATIONS & TRAINING

- **CPR, First Aid, and AED Certification, American Red Cross** (January 2025)
- **Adult Mental Health First Aid (MHFA) – National Council for Mental Wellbeing** (February 2026)
- **Stop the Bleed Certification - American College of Surgeons** (February 2026)
- **Certification-Research Ethics and Integrity, CITI**, (November 2023)
- **Certification- Biomedical Responsible Conduct of Research, CITI** (November 2023)
- **Basic Training in Bioinformatics**: Completed training on tools such as VISTA Gateway and PROMO ALGGEN, (April 2024)

CONFERENCES ATTENDED:

American Academy of Orthopedic Surgeons Annual Meeting, AAOS:

- March 2022, Chicago, IL.
- March 2016, Orlando, FL.

VOLUNTEER EXPERIENCE

Volunteer –Surgery Guest Services

Orlando Health, Orlando, FL (June 2025 – Present) (around 150 hours)

- Assist medical staff with non-clinical tasks to support patient care and department efficiency.
- Provide comfort and guidance to patients and visitors in high-stress environments.
- Observe emergency care procedures, enhancing understanding of acute care settings and hospital operations.
- Demonstrate empathy, professionalism, and commitment to community health service.

CLUBS AND ACTIVITIES

- **Burnett Honors Scholar**, University of Central Florida, (August. 2024 – Present)
- **Phi Delta Epsilon Pre-Medical Fraternity**, University of Central Florida (January. 2025 – Present)
- **Phi Theta Kappa**, Valencia College, (May. 2024 – Present)
- **T-LEARN Scholar**, University of Central Florida, (August. 2024 – May 2025)
- **Seneff Honors Scholar**, Valencia College, (Aug. 2023 – August 2024)
- **Primero Justicia Political Party**, Caracas Venezuela, (2017-2020)
- **Deportivo La Guaria Soccer Team**, Caracas Venezuela, (2010-2019)
- **Club Tachira Baseball Team**, Caracas Venezuela, (2012-2019)

SKILLS

Languages:

- English (Professional Proficiency)
- Spanish Native Speaker. (CLEP SCORE Spanish I & II: 78/80)

Laboratory:

- Bioinformatics
- Sequence Analysis
- Biomechanical Data Collection
- Motion Analysis
- Scientific Literature Review

Computer

- Microsoft Word, Excel, and PowerPoint
- VISTA Gateway
- PROMO ALGGEN
